Basically, the Beaumont Police Dept. searched my vehicle, without permission and without a warrant. I was illegally stopped, without a probable cause and illegally detained. The officer stated that I was going down the wrong way, when I was clearly going down the right way. I feel like there was racial discrimination and stereotyping involved, since I was parked. I did not give him permission to search my vehicle, although he said in a statement that I did. Basically, Sharon Bassett violated my civil rights as per the aging Americans with Disabilities Act and because I'm black and mentally retarded in accordance with documented proof along with Thomas Bynum, the District Attorney's office and Judge Harry Dist.
